ADVOCACY

The National Association of Home Builders and the Home Builders Association of Michigan represent HBA members at our national and state capitols. Advocating for reduced taxes, fees, more flexible construction code options and lower building material costs, their efforts save more than \$22,000 per home on average.

Our team of experts can also help you deal with problems from local, state or federal regulatory agencies, helping you reduce legal fees and/or other costs.

CONTINUING EDUCATION

- Discounted Continuing Education/MIOSHA Classes
- Additional Education and Training

NETWORKING

- Meet builders and other members from all types of companies supplying the residential construction industry; get information on new trends and build referral networks that grow your bottom line.

YOUTH IN THE TRADES

- Career Technical Education involvement
- Skilled to Build Fund
- High School and College Student Chapters

TARGETING YOUR INTERESTS

- Get active in local, state or national groups or councils such as Professional Women in Building, Remodelers Council, Young Professionals, Sales & Marketing, and other Charitable Foundations.

MONEY SAVING DISCOUNTS

- Rebates on building products, 10% off Meijer general merchandise, 30% off all Carhartt, new vehicle discounts and more!
